## ***Elite Hockey Development***

is proud to announce 2011-2012 Winter Hockey Clinics. These specialty clinics are a great way to work on your skills during the season. This two day camp is operated by some of the top hockey professionals in the area.

### ***Christmas Clinic Series***

***December 28<sup>th</sup> and 29<sup>th</sup>, 2011***

***Session "A": 11:00am-11:50am***

#### ***Power Skating \* Over Speed \* Edge control***

Skating requires a lot of practice and is more important than all other hockey skills. It must be focused on individually to show significant improvement. Power skating is designed to improve the skating ability of hockey players of all ages

***December 28 and 29, 2011***

***Session "B": 12:00pm-12:50pm***

#### ***Stick Handling \* Shooting***

Stick handling focuses on improving puck control, passing and shooting. Players will improve puck control through fast paced specifically designed drills.
